

**From the Library:**

Save the date! On Monday, June 7, there will be a Volunteer Appreciation coffee from 8:45 to 9:30 at which time we will honor the many volunteers who have made the Library program so successful this year. Please come and say hello to friends old and new, have a morning treat and accept our most grateful thanks for all the hours that you, our most loyal volunteers, have given.

We are also asking for yet one more bit of volunteering. In order to have our shelves in perfect order, we will be holding our annual “shelf reading” time. If you could help with an hour or so during the week of June 7, we can put the books in neat shelf order. Stay after the volunteer coffee on the 7th to begin this process, or sign up in the library if you can spare an hour sometime that week.
